

17th of April 2026

**To whom it may concern :**

We hereby certify that the ADEQID Mini 8 mm and ADEQID Standard 12 mm microchips, manufactured and supplied by BARTMED, comply with ISO 11784/11785.

The microchips are intended for lifetime use in animals. Compliance with ISO 11784/11785 has been verified by ICAR, the designated ISO registration authority for RFID devices used in animal identification.

Sincerely yours

Joanna Moritz

Managing Director  
BARTMED Medical Technologies
